North American Ultrasound Training Centre – NAUTC is the most comprehensive resource for diagnostic ultrasound training and CME. From more than last two decades, we at **NAUTC** have been dedicated to providing the highest quality continuing education and skills training in the diagnostic ultrasound profession. We deliver the “**State of The Art**” **Supervised Hands-On Skills Training** through our highly qualified and experienced instructors who initiate a friendly and interactive learning environment. Our more than 95% of graduates are currently employed in different X-Ray and Ultrasound Clinics (IHF Clinics) all over Canada. Our most of the graduates were placed in the job within 3 months after their graduation. Our instructors are highly skilled professionals who are passionate about what they do and are certified and knowledgeable in the new generation technology and software.
